

Saint Ann's Chapel and Ranch is an outdoor venue offering over 2 acres of lush open space providing the freedom to create an event experience tailored to your own taste, style, and vision. You have the flexibility to bring in all your own service providers, based on your needs. Attached is our recommended vendor list to get you started- these are providers that we have worked with and that are familiar with the property however they are viable whether you book with Saint Ann's or not. (There is no incentive to use these vendors).

Let me know if you have any questions and if you would like to schedule a site visit.

SAINT ANN'S CHAPEL & RANCH EVENTS

Photos: Pure in Art Photography

Situated along the Tanque Verde Wash, in the shadow of the Catalina Mountains, you will find a charming chapel surrounded by spacious grounds. Celebrations ranging from formal tented affairs to Southwestern ranch-style receptions will be quite at home here. The venue is especially beautiful at twilight when the sun slips beyond the horizon and the night sky is illuminated. At Saint Ann's, we allow you to bring in all of your own vendors with approval of the venue coordinator, which saves you a considerable amount of money and provides you the ability to truly customize your event. We also work with an excellent team of local vendors and can assist you in finding event professionals who can deliver the services you may need.

Ranch Events, LLC provides venue management services for your event, and those services are included in the overall price. We will gladly help you navigate the options available, and an event manager will be assigned to assist you on the day of your rehearsal and/or the day of your wedding or special event.
