Service Agreement

This agreement is between the undersigned and Sand Petal Weddings. We here by agree to the following terms and conditions. See attached proposal for purchase description.

Terms & Conditions:

Ceremony/wedding location: SPW works with several locations on several beaches (both public & private) that we approve as sites where we can perform your wedding. If a bride would like to choose a location for her ceremony/wedding that we have never been too and is not one of our designated locations, SPW will need to approve the site first. The things we take into consideration when approving a site is whether we can access the beach easily, is there parking for vehicles including the many vendor vehicles, and how far of a walk it is when carrying chairs & all the cumbersome wedding decor to an unfamiliar beach location. SPW must approve the site first before we will agree to perform the ceremony there. If SPW does approve a difficult site, there may extra charges for needing additional set-up crew and close easily accessible parking has to be guaranteed for the vendors provided in your package. Our Beach Ceremonies & our 'Cake & Champagne' reception package can be performed at the public beach (a beach permit is required for an additional fee). Public beach events are done at specific wedding zones given by the county. Please note that due to the beach goers who mainly occupy the beach near the water, these zones are not close to the ocean in order to keep your event a little bit more private, but still have water background. If you wish your event to be near or closer to the water, then a private beach front property should be considered (there will be room requirements and the water proximity to the event will depend on the property lines). Our Basic Tented events can be held at private locations. SPW will supply a list of several locations where our Basic Tented events can be performed. These locations will have room rental requirements and a possible site fee. Not all resorts require site fees however, and most generally only require room rentals.

Parking: If you choose to host your event at any public beach, please note that there is no reserved parking. Public beaches are busy on the weekends especially in high seasons. Please allocate enough time for parking. If you chose to host your event at a private beach front property, parking for you and your guests should be arranged through the management.

Bathrooms: Some of the locations available for our tented events have public restrooms located in the pool area. Other properties do not and when one of those are chosen, one of the rented rooms must be used as the restroom for the event or an upscale portable restroom trailer can be rented as an alternative. By choosing to have a tented event, if the bride and groom choose a property without a public restroom then they must provide a room that the guests and vendors can use for bathroom facilities. The cost for a bathroom trailer is not included in this proposal. For the guests staying on site, we suggest that they use their own rooms for bathrooms. Please see the site list for which properties that do provide restrooms. If you having a wedding on the public beach, public restrooms will be available.

Ceremony Retainer: Your retainer, 50% of your balance guarantees that your Wedding date and time are reserved with Sand Petal Weddings.. As a protection to our company, your retainer is non-refundable, as we do not book more Weddings than we can perform on a specific day and time. The first payment is due at booking along with this signed contract and an additional payment of 20% is due 90 days before the event , with the Final Balance due 30 days before your wedding date. A 5 day grace period is allowed for these additional payments due, however, if the payment is not received within the grace period, then your wedding is considered cancelled with Sand Petal Weddings unless other payment arrangements are made & approved thru Sand Petal Weddings.

Reception Retainer: Your retainer, 30% of your balance guarantees that your Wedding date and time are reserved with Sand Petal Weddings.. As a protection to our company, your retainer is non-refundable, as we do not book more Weddings than we can perform on a specific day and time. The first payment is due at booking along with this signed contract and an additional payment of 20% is due 90 days before the event , with the Final Balance due 30 days before your wedding date. A 5 day grace period is allowed for these additional payments due, however, if the payment is not received within the grace period, then your wedding is considered cancelled with Sand Petal Weddings unless other payment arrangements are made & approved thru Sand Petal Weddings.

However, Please note that the Chickee Hut Reception package requires final payment 60 days in advance.

Package Changes: Once a deposit is received, a package can only be changed if it is of equal or greater value. Ala cart items can be added at any time and an invoice will be given reflecting the additional requested items. In the instance where a package change of equal or greater value is made, the deposit already paid will be applied to the new package and a contract

addendum will be written, the current contract will remain in full effect until we receive the newly signed addendum.

Postponement: Because unfortunate circumstances can occur, you may postpone your date for up to one year from your original wedding date. All pre-paid monies will be applied to your new date. This postponement must be made at least 150 days before your scheduled event. If you must postpone, you must choose your new date within 60 days from the time you contact

Initials _____ / _____

us with your request to postpone. Any Postponement or Change of Date will be charged a \$200 fee that must be paid before change is implemented. Due to unforeseen vendor price increases, a 15% fee of total wedding package cost may be charged and this fee must also be paid at the time of postponement unless other arrangements are made with SPW. If you find you need to cancel indefinitely, your deposit and all monies paid are non-refundable and non-transferable.

Cancellation: Due to unfortunate circumstances, a Bride and Groom may find that they need to cancel their wedding indefinitely. If a Bride and Groom do not choose to postpone their wedding date (as outlined in the postponement paragraph) and instead decide to cancel their wedding, then a cancellation letter must be signed by either bride or Groom to officially close your file. Once we received the signed cancellation letter, we will inform all of the booked vendors that the wedding has been cancelled and your file will be closed. All deposits and monies paid are non-refundable. No refunds will be issued.

Ceremony Rain Policy: : If rain or inclement weather should occur on your scheduled wedding date which prevents an outdoor ceremony it is the couples responsibility to provide a back-up location. Sand Petal Weddings will be happy to suggest some area options. If a backup location is chosen, Sand Petal Weddings must be given the new location the morning of the wedding day. If need be, Sand Petal Weddings, based on their availability, may be able to perform your ceremony earlier or later in the day or the following day. Sand Petal weddings cannot set up your décor if inclement weather is being predicted 4 hours before your ceremony. If ceremony set-up has already been completed and inclement weather or rain prevents an outdoor ceremony, Sand Petal Weddings will not set up again on any other day and cannot issue a credit or refund.

Reception Rain Policy: : If booking our Basic Tented event and inclement weather should occur, the ceremony can be held under the main tent. The Basic tented event includes walls which can be rolled down if it should rain which protect your guests and the tables and the wedding will continue without interruption. If booking our Sand Castle event, Chickee Hut or our Cake & Champagne reception and inclement weather should occur on your scheduled wedding date which prevents an outdoor wedding/reception, the event would need to be moved to an indoor back up location. Sand Petal Weddings will be happy to suggest some area options. The decision to move the event would be ultimately made by Bride & Groom after consulting with the lead coordinator the morning of event day. The cost for the backup room are the Bride & Grooms responsibility. Sand Petal Weddings cannot set up your décor if inclement weather is being predicted 4 hours before your ceremony. If Bride & Groom decide to move forward with an outdoor wedding regardless of weather and wedding set-up has already been completed and inclement weather or rain prevents an outdoor ceremony, Sand Petal Weddings will not set up again on any other day and cannot issue a credit or refund.

Permits & Fees: Sand Petal Weddings package options do not include any required beach permits that may be required for public beaches, parks, and use of other private venue locations. Public beach permits start at \$350 and vary based on the actual beach. Any applicable permit fees must be paid along with your retainer to assure the reservation of your location. (Sunset ceremonies on the beach are very popular and book quickly. It is imperative your date is reserved in advance.) Sand Petal Weddings will handle the obtaining of any needed permits on your behalf when possible. Sand Petal Weddings ceremonies can be held at public beaches as well as private beaches. Tented events can only be done at private residences and private hotel/motel/resorts . A Tent permit fee may or may not be applicable based on beach location and any changing government permit laws. When choosing a Tented event we will give you a list of beachfront hotels to choose from to hold your event at. These hotels in turn require room rentals and/or site fee.

Marriage License: Package prices do not include marriage license fees. Applicants must apply in person at the Clerk of Court and bring a Drivers License, Photo I.D. or Passport. If either applicant was previously married, the date and county the prior marriage ended by divorce, annulment, or death is required. If it has been less than six months, documentation may be required. Florida residents have a 3-day waiting period; however, non-Florida residents have no waiting period and will receive their marriage license the same day.

Time Restraints: It is imperative that the wedding party and guests be at the wedding location at least 30 minutes prior to when the ceremony is due to begin and the bride at least 15 minutes before ceremony. Due to time restraints we cannot guarantee

all photos (when applicable) are taken if the Bridal party is late. Time allotted for sunset photos and dinner and other varying vendors such as Musician and Officiant,(when applicable) can be affected by a late arrival as well. No credit or cost adjustment will be issued if this circumstance occurs. **Due to County Sound Ordinances, all events must end by 10:00 p.m. (private beach properties only). If you would like to add more time to your event, it would need to be added to the beginning of the event.**
For Public Beach events' sound ordinances, please email us for more information.

Beach Ceremony & Ocean View Terrace Reception Service Agreement

This agreement is between the undersigned and Sand Petal Weddings . (SPW) We here by agree to the following terms and conditions. See attached proposal for purchase description.

Terms & Conditions

Ceremony/wedding location: SPW offers several locations on several beaches that we approve as sites where we can perform your wedding. If a bride would like to choose a location for her ceremony/wedding that we have never been too and is not one of our designated locations, SPW will need to approve the site first. The things we take into consideration when approving a site is whether we can access the beach easily, is there parking for vehicles including the many vendor vehicles, and how far of a walk it is when carrying chairs & all the cumbersome wedding decor to an unfamiliar beach front location. SPW must approve the site first before we will agree to perform the ceremony there. If SPW does approve a difficult site, there may extra charges for needing additional set-up crew and close easily accessible parking has to be guaranteed for the vendors provided in your package. Public beach events are done at specific wedding zones given by the county. A beach permit is required for an additional fee . Please note that due to the beach goers who mainly occupy the beach near the water, these zones are not close to the ocean in order to keep your event a little bit more private, but still have water background. If you wish your event to be near or closer to the water, then a private beach front property should be considered (there will be room requirements and the water proximity to the event will depend on the property lines)

Parking: If you choose to host your event at any public beach, please note that there is no reserved parking. Public beaches are busy on the weekends especially in high seasons. Please allocate enough time for parking. If you chose to host your event at a private beach front property, parking for you and your guests should be arranged through the management. There is parking available at Mote Marine Aquarium.

Retainer/Deposit: Your retainer guarantees that your Wedding date and time are reserved with Sand Petal Weddings. As a protection to our company, your retainer is non-refundable, as we do not book more Weddings than we can perform on a specific day and time. Your retainer is divided into two payments. The first retainer payment of \$4500 is due at booking along with a signed contract which then secures your wedding date. 3 months (90 days) before your wedding date, an additional 20% deposit will be due. This second deposit continues to hold your wedding date. Final Balance is due 30 days before your wedding date. A 5 day grace period is allowed for these additional payments due, however, if the payment is not received within the grace period, then your wedding is considered cancelled with Sand Petal Weddings unless other payment arrangements are made & approved thru Sand Petal Weddings.

Package Changes: Once a package is purchased, it can only be changed if it is of equal or greater value. Ala cart items can be added at any time and an invoice will be given reflecting the additional requested items. Bride and groom must initial invoice and then it will be made part of the contract.....in the instance where a package change of equal or greater value is made, the deposit already paid will be applied to the new package and a new contract will be written, the current contract will remain in full effect until we receive the newly signed contract'.

Postponement: Because unfortunate circumstances can occur, you may postpone your date for up to one year from your original wedding date. All pre-paid monies will be applied to your new date. This postponement must be made at least 150 days before your scheduled event. If you must postpone, you must choose your new date within 60 days from the time you contact us with your request to postpone. Any Postponement or Change of Date will be charged a \$200 fee that must be paid before change is implemented. Due to unforeseen vendor price increases, a 15% fee of total wedding package cost may be charged and this fee must also be paid at the time of postponement unless other arrangements are made with SPW. If you find you need to cancel indefinitely, your deposit and all monies paid are non- refundable and non-transferable.

Cancellation: Due to unfortunate circumstances, a Bride and Groom may find that they need to cancel their wedding indefinitely. If a Bride and Groom do not choose to postpone their wedding date (as outlined in the postponement paragraph) and instead decide to cancel their wedding, then a cancellation letter must be signed by either bride or Groom to officially close

your file. Once we received the signed cancellation letter, we will inform all of the booked vendors that the wedding has been cancelled and your file will be closed. All deposits and monies paid are non-refundable. No refunds will be issued.

Rain Policy: If rain or inclement weather should occur on your scheduled wedding date, which prevents an outdoor ceremony, the ceremony will be moved inside to the Aquarium where the dinner reception is held.

Permits & Fees: Sand Petal Weddings Beach Ceremony & Ocean View Terrace Reception package plan, does not include a public beach wedding permit. The cost of the permit depends on the chosen public beach, which starts at \$350. We can obtain the permit on your behalf and add the appropriate cost to your invoice. You may also choose to have your ceremony portion on a private resort beach that we can recommend a list of nearby beachfront resorts to you and you simply rent rooms directly from them. Some resorts may also charge a site fee, however, usually only a certain number of room rentals are necessary. No permits are necessary at private resorts.

Marriage License: Package prices do not include marriage license fees. Applicants must apply in person at the Clerk of Court and bring a Drivers License, Photo I.D. or Passport. If either applicant was previously married, the date and county the prior marriage ended by divorce, annulment, or death is required. If it has been less than six months, documentation may be required. The fee is \$96.50 . Florida residents have a 3-day waiting period; however, non-Florida residents have no waiting period and will receive their marriage license the same day.

Time Restraints: It is imperative that the full wedding party and guests be at the wedding location at least 15 minutes prior to when the ceremony is due to begin. Due to time restraints we cannot guarantee all photos are taken if the Bridal party is late. Time allotted for dinner and other varying vendors such as Musician and Officiant, can be affected by a late arrival as well. No credit or cost adjustment will be issued if this circumstance occurs.

Officiant: An Officiant is included in the SPW wedding packages unless this service has been removed by the bride. The Officiant that SPW provides will take care of filing the marriage certificate on behalf of the bride and groom. The Officiant provides several standard vow selection's. If any customization or additions are desired in regards to the vows, ring exchange or ceremony in general, the Officiant has an additional \$100 customization fee which will be collected by SPW.

Photos: Permission is granted for Sand Petal Weddings to use, on their website or in marketing materials, photos taken at the wedding. Photos will be completed in 12 to 14 weeks from event date. The photographer will email the couple a link to download their photos from.

Florals and Decor: All silk florals, greenery, alter arrangements; aisle markers, arches, pillars, tiki torches, decor and the like are the exclusive property of Sand Petal Weddings LLC and are for display only and not intended for purchase.

Delivery, Set-up & Take-down: For your convenience, our package plans include the delivery, set-up and take-down of all decor supplied as well as all necessary table & chair rentals.

Ceremony/Reception Coordinator: Your package includes one ceremony coordinator. Your coordinator is available to answer your questions via email and phone. Your coordinator will also create a time line for your reception events (ie: ceremony start time, introduction of bridal party and of bride & groom, champagne toast, bouquet toss, garter throw, cake cutting, ect.) and will be there to coordinate for most of the evening. As a courtesy to the Bride, we will handle a total of 3 additional items/services for the ceremony and/or reception (ie: guest wedding favors, ceremony programs, sign in table ect.) If the bride has more than 3, a family member will have to be designated to take care of those items. Please refer to the bridal questionnaire for details.

Performance: The performance of this contract on behalf of Sand Petal Weddings, shall be contingent upon acts of God, flood, fire, warfare, government laws or regulations, electrical failure, strikes by suppliers, vendor equipment failure, and/or conditions beyond its control including weather.

Musicians : A live musician plays for the ceremony , The musician will play prelude/mood music, processional/bridal march music, and recessional music for ceremony.

Food and Beverage: Sand Petal Weddings is not liable for any services or food or beverages that a vendor supplies.

Group Amount: A final group count which includes bride & groom is due 30 days before the event. If at that time you have more guests than the contract states, you may add them when your final payment is due; if you have less guests, you may receive a credit on your final bill from Sand Petal Weddings. (an addendum to your contract must be signed to change guest count.) Guest count additions are also subject to size of venue. Minimum group amount is 30. No changes to group amount can be made 14 days or less from event date.

Vendor meals: As a customary courtesy to the vendors who will be a part of your wedding day, you have the option of providing a dinner for them during your reception. There will be a separate vendor table for SPW vendor s only. The vendor meals are offered at a discounted price and this discounted price is for SPW vendors only. We recommend providing meals for the vendors who will be with you throughout the evening; your DJ, Photographer and coordinator.

Bar Tab: This package includes a bartender and bar station for 4 ½ hours. This package does not include alcohol or a bar tab. Many options are available to the bride and groom at different charges or you can choose to supply your own alcohol. When choosing to supply your own Alcohol, this must be delivered to the Caterer prior to the event due to Ocean View Terrace regulations.

Prohibited items: The following items are prohibited on the aquarium grounds: balloons, beach balls, inflatable items, glitter, confetti, open flames, thumbtacks, pins, nails, staples, tape, plastic drink stirrers, plastic toothpicks, dry ice, smoke machines, dumping liquids or ice or any fluids other than in sinks.

Damage deposit: A \$250 refundable damage deposit, paid by credit card on file, is required and will be due 90 days before the event. Damage deposit is non-refundable if a guest damages the Ocean View Terrace facility.

Smoking: Smoking is prohibited in any of the aquarium buildings except in the designated outdoor areas. Smoking inside any building by anyone attending the wedding will result in the loss of the damage deposit.

Group Amount: Please note that event rentals such as tables, chairs, plates, and the like are only provided for the exact number amount of guests listed on your invoice. Extra items are not brought out to the Ocean View Terrace, so it is imperative you know your exact group amount to insure there are no surprise guests who are left out of the event.

Garden Ceremony & Reception Service Agreement

This agreement is between the undersigned and Sand Petal Weddings. (SPW) We here by agree to the following terms and conditions. See attached proposal for purchase description.

Terms & Conditions

Ceremony/wedding location: The wedding ceremony can take place in either of the two gardens. The Butterfly Garden is a grassy treed area with many flowering trees and bushes and plants. OR the bride can choose the lush Tropical Exotic Garden where the ceremony takes place on a bricked patio garden area. If this Tropical Garden is chosen, guest seating is limited to 80 guests. Due to the nature of weather and different blooming seasons for plants, trees and bushes, we cannot guarantee which and/or all of the trees and bushes and flowers will be blooming. If a beach ceremony is desired instead of a garden ceremony, the cocktails and reception can still take place in the Exotic Tropical Garden patio and the reception held in the vaulted Great room. SPW has several beaches that we approve as sites where we can perform a beach ceremony. If a bride would like to choose a location for her ceremony that we have never been too and is not one of our designated locations, SPW will need to approve the site first. The things we take into consideration when approving a site is whether we can access the beach easily, is there parking for vehicles including the many vendor vehicles, and how far of a walk it is when carrying chairs & all the cumbersome wedding decor to an unfamiliar beach front location. SPW must approve the site first before we will agree to

Initials _____ / _____

perform the ceremony there. If SPW does approve a difficult site, there may extra charges for needing additional set-up crew and close easily accessible parking has to be guaranteed for the vendors provided in your package.

Retainer/Deposit: Your retainer guarantees that your Wedding date and time are reserved with Sand Petal Weddings. As a protection to our company, your retainer is non-refundable, as we do not book more Weddings than we can perform on a specific day and time. Your retainer is divided into two payments. **The first retainer payment of 30% is due at booking along with a signed contract which then secures your wedding date.** 3 months (90 days) before your wedding date, an additional 20 % deposit will be due. This second deposit continues to hold your wedding date. Final Balance is due 30 days before your wedding date. A 5 day grace period is allowed for these additional payments due, however, if the payment is not received within the grace period, then your wedding is considered cancelled with Sand Petal Weddings unless other payment arrangements are made & approved thru Sand Petal Weddings.

Package Changes: Once a package is purchased, small changes are allowed upon SPW's approval. Ala carte items can be added at any time and an invoice will be given reflecting the additional requested items. Bride and groom must initial invoice and then it will be made part of the contract. In the instance where a package change of equal or greater value is made, the deposit already paid will be applied to the new package and a new contract will be written, the current contract will remain in full effect until we receive the newly signed contract.

Postponement: Because unfortunate circumstances can occur, you may postpone your date for up to one year from your original wedding date. All pre-paid monies will be applied to your new date. This postponement must be made at least 150 days before your scheduled event. If you must postpone, you must choose your new date within 60 days from the time you contact us with your request to postpone. Any Postponement or Change of Date will be charged a \$300 fee that must be paid before change is implemented. Due to unforeseen vendor price increases, a 15% fee of total wedding package cost may be charged and this fee must also be paid at the time of postponement unless other arrangements are made with SPW. If you find you need to cancel indefinitely, your deposits paid are non-refundable and non-transferable.

Cancellation: Due to unfortunate circumstances, a Bride and Groom may find that they need to cancel their wedding indefinitely. If a Bride and Groom do not choose to postpone their wedding date (as outlined in the postponement paragraph) and instead decide to cancel their wedding, then a cancellation letter must be signed by either bride or Groom to officially close your file. Once we received the signed cancellation letter, we will inform all of the booked vendors that the wedding has been cancelled and your file will be closed. All deposits paid are non-refundable. No refunds will be issued.

Rain Policy: If rain or inclement weather should occur on your scheduled wedding date, which prevents an outdoor ceremony, the ceremony will be moved inside to the vaulted Great Room where the dinner reception is held.

Permits & Fees: Sand Petal Weddings Mother of Pearl Garden Wedding and Reception package plan, includes all the vendors as outlined in this proposal but not a beach permit fee if bride should choose to have a beach ceremony instead of a garden ceremony (see next paragraph if a beach ceremony is desired followed by a garden reception). Bride must also sign a rental agreement with the garden site. 5 ½ hours for guest arrival, ceremony, and reception. 1 hour for clean-up and removal of trash. If additional hours are added by bride to extend the event timing or additional hours are needed for any extra décor bride desires (e.g. hiring of a décor company to hang lanterns or fabric or special lighting) that is not included in the SPW contract, then bride will incur additional rental fees. SPW must know about these additions so that your final invoice can be charged accordingly. SPW needs to know about any such changes or additions 30 days before the event.

If a beach ceremony is desired, the package price does not include a public beach wedding permit. We can obtain the permit on your behalf and add the cost to your invoice. You may choose to have a beach ceremony at a private resort beach. We can recommend a list of nearby beachfront resorts to you and you simply rent rooms directly from them. Some resorts may also charge a site fee, however, usually only a certain number of room rentals are necessary. No permits are necessary at private resorts.

Marriage License: Package prices do not include marriage license fees. Applicants must apply in person at the Clerk of Court and bring a Driver's License, Photo I.D. or Passport. If either applicant was previously married, the date and county the prior marriage ended by divorce, annulment, or death is required. If it has been less than six months, documentation may be

required. Florida residents have a 3-day waiting period; however, non-Florida residents have no waiting period and will receive their marriage license the same day.

Time Restraints: It is imperative that the full wedding party and guests be at the wedding location at least 15 minutes prior to when the ceremony is due to begin. Due to time restraints we cannot guarantee all photos are taken if the Bridal party is late. Time allotted for dinner and other varying vendors such as Musician and Officiant, can be affected by a late arrival as well. No credit or cost adjustment will be issued if this circumstance occurs. If a wedding runs late because of bride, groom or bridal parties' late arrival, Sand Petal Weddings will charge \$100.00 every 30 minutes the ceremony is delayed.

Officiant: An Officiant is included in the SPW wedding packages unless this service has been removed by the bride. The Officiant that SPW provides will take care of filing the marriage certificate on behalf of the bride and groom. The Officiant provides several standard vows selection's. If any customization or additions are desired in regards to the vows, ring exchange or ceremony in general, the Officiant may add a customization fee which will be collected by SPW.
