# POLICY

## Menu Selections

Included for your consideration are the catering menus for Santa Rosa Golf & Country Club. The food, beverage and miscellaneous prices quoted are subject to a 22% service charge and applicable state sales tax, currently 8.5%. These prices are subject to change up to thirty (30) days prior to your event.

A formal seating arrangement to include table and seat assignments will be required in advance when guaranteed head count is provided along with individual menu selections and dietary requests. Dietary restrictions may be accommodated in advance (i.e. vegetarian, vegan, allergies, etc.)

Due to current City of Santa Rosa Health Department recommendations, prepared foods utilized for banquet events are not allowed to leave the function space. No food or non-alcoholic beverages of any kind may be brought on-site. In addition, the sale and service of all alcoholic beverages is regulated by the California Department of Alcoholic Beverage Control. Santa Rosa Golf & Country Club is responsible for the administration and adherence to these regulations. It is policy therefore, no alcoholic beverages (liquor-beer) may be brought onto the property. Wine may be brought in by the client, and a corkage fee of \$30 per 750ml bottle is applied for wine that is provided by the group.

## Guarantees

Guaranteed attendance is due fourteen (14) business days prior to the scheduled event date along with planned seating arrangement (if any) to include table and seat assignments with individual menu selections. This number shall be considered a minimum guarantee and is not subject to reduction. If a guaranteed count is not received fourteen (14) business days prior, the number of guests previously stated on the banquet event order will serve as your guarantee. Attendees added following the due date must be approved by Santa Rosa Golf & Country Club prior to confirming availability of planned menu items, substitutions for added guests may apply.

## Beverage Service

Santa Rosa Golf & Country Club offers beverages on a per drink basis or may provide pre-priced packages to suit your needs. Any event requiring a bartender will be subject to a \$165 fee for each bartender staffed. One (1) bartender is required for every fifty (50) guests in attendance. Wine may be brought in with prior approval, a corkage fee of \$30 per 750ml bottle is applied, large format bottles are subject to higher fees and require advance approval to include during the event service.

### Wedding Planners - Vendor Approval

Santa Rosa Golf & Country Club does not require a professional wedding planner to be hired for your wedding, your Private Event Director will provide you with a list of the on-site coordination services provided. If you would like to hire a planner, we will provide you with a preferred list, or you are welcome to work with a planner of your choice, pending approval by the club. Once approved, the planner needs to provide proof of insurance no later than sixty (60) days prior to event date. All other wedding day vendors are subject to approval of the club and will need to provide proof of insurance no later than thirty (30) days prior to event date. Please plan to have your personal items and any decor removed at the end of the event, this can be done by a guest attending the wedding or a member of your bridal party. We are not held responsible for anything left behind.

### Deliveries, Storage, Set-Up and Decorations

Please have all deliveries labeled c/o Private Events Department, with the event name and date of function clearly marked. Santa Rosa Golf & Country Club cannot accept deliveries more than two (2) business days prior to your event. All decor for the event must be approved in advance by your Private Events Director, extensive decor packages and set ups will require licensed vendors and may be arranged directly with the club in advance.
