# What are people saying about us?

"The entire staff of this place is absolutely a dream, they're always on the ball, ready to answer emails whenever, and have the best attitude when it comes to planning things. We couldn't have asked for anything more to make us and our guests feel like we were at home during our wedding."

My wife and I love Salvage One, because they gave us the gift of a perfect wedding day. What else is there to say? Best wedding venue in Chicagoland, hands down!"

**Joseph R., Google**

"Salvage One was an amazing reception venue for our epic dinner party reception. Thank you guys! We now know why you book so far in advance... you are awesome!"

**Carolyn G., Wedding Wire**

"LOVE Salvage One. Besides everything being perfect the day of our wedding, the entire planning process was so easy with them. They were accommodating, kind, and gave really great suggestions. I loved working with the staff there and absolutely loved how everything looked in the end. If I could do my wedding over, I would choose this space every time."

**Danielle, Wedding Wire**

"My January wedding at Salvage One legitimately couldn't have been more perfect. If you're looking for a unique space in this city open to being flexible to your needs and vision – this venue is for you. I would have my wedding there 10 times over."

**Bri C., The Knot**

"Everything was so magical and romantic and whimsical and authentic—totally out of a dream! Couldn't imagine a better space, or a better experience. THANK YOU, Salvage One!"

**Hannah, Wedding Wire**

"I knew Salvage One was going to be our wedding venue from the second we stepped inside! The entire space has so much character and is incredibly charming and breathtaking, without even needing an abundance of decor to spruce it up. We never even had to leave the premises to get photos because there are so many different unique and beautiful spots both in, and outside, the venue! Every guest that we spoke with, both during the wedding and after, commented on how beautiful and unique the venue was and how they had never seen anything like it.

If you're looking for a beautiful, unique wedding venue, we would highly recommend Salvage One!"
