## Frequently Asked Questions

## SOME OF MY GUESTS ARE UNDER THE AGE OF 21, WILL THEY BE PERMITTED TO ATTEND THE WEDDING?

Yes. Underage guests are permitted to attend events at Rivers Casino, provided that the couple follows the required process to pre approve these guests. Under 21 guests will be required to have a chaperone over the age of 21 with them for the entire duration of the event. These guests will need to check in with security at a designated time and place and be escorted to the appropriate event space. Guests under the age of 21 may be required to wear an identifying wristband throughout the event. No in and out privileges are permitted.

#### CAN WE HOLD OUR CEREMONY AT RIVERS?

Yes, we offer both indoor and outdoor ceremony options. Fees start at \$1,500 for indoor ceremonies and \$2,500 for outdoor.

#### IS THERE A ROOM RENTAL FEE?

We rent all of our spaces based on a food and beverage minimum spend (not inclusive of tax and service charges). If the minimum food and beverage spend is not met, the difference is made up as a room rental fee.

#### WHAT IS THE TAX AND SERVICE FEE?

Food and beverage pricing is subject to a 23% service fee and 7% sales tax. There are no hidden fees or charges.

#### WHAT IS THE DEPOSIT SCHEDULE?

Your deposit will be calculated based on the food and beverage minimum charge associated with the room you select, plus the service fees and tax. If you elect to host your ceremony here, we will add that charge to the food and beverage minimum. This total will then be calculated and divided into 4 equal deposits with the first being due at the time of contract signing. Remaining minimum deposits will be placed on a schedule. The wedding final payment will include your actual spend dollars and will be drawn 10 days prior to your event.

Please keep in mind that your minimum is simply your minimum spend to use the space. Actual charges will depend on the package you select, the number of guests that you host and service fees and tax. Your wedding coordinator will go over finances with you prior to contract signing. Our goal is total transparency.

#### ARE THERE SET UP AND TEAR DOWN FEES?

No, all set up and clean up is included in all available packages.

#### WHEN DO WE PICK UP OUR DÉCOR?

In most cases, we are able to clean up and store your décor overnight for you for next morning pick up. There are some exceptions to this and your wedding coordinator will go over exceptions with you early on in the planning process.

All cards, gifts and your anniversary cake must be taken on the night of your wedding.

## WHAT ARE SOME EXAMPLES OF ADD ON SERVICES THAT I AM ABLE TO ADD TO MY WEDDING PACKAGE?

Additional costs may include staging for a band, additional dance floor panels, bistro lighting, and up lighting to name a few. Any extras would be outside of our packages and would be an additional cost. All costs will be presented prior to adding on and agreed to in writing.

#### IS A TASTING AVAILABLE PRIOR TO THE EVENT?

Yes. You and your fiance are able to invite four additional people to a complimentary food tasting. You will try the main menu as well as select your cake at the tasting. The couple will select ALL food to be served at their event.

#### WHEN CAN WE DECORATE AND SET UP THE ROOM?

All of your vendors will have access to your room for set up at 10 am on the day of your event.

#### ARE THERE COOKIE TRAYING AND CAKE CUTTING FEES?

No, this is provided in all packages. You provide us with your cookies and we'll take care of the rest. Additionally, your cake will be made on site and served (with coffee) as your final course. This is also included in all package pricing.
